

Connections from the Chief Ladiga Trail To/From Amtrak Station, Anniston, AL

Amtrak serves Anniston twice each day. It stops at 10:00 am headed West to B'ham, and 4:16 pm headed East to Atlanta. **Since Anniston has no baggage service, bicycles have to be disassembled, boxed, in a bag or the folding type to load in Anniston.** However, some local bicyclists have loaded partially disassembled bicycles in a bag as carry-on baggage without any problems.
